Additionally, under the Mentor Program of the IS USBC BA, I have kept close contact with Directors from District 1, 4, and 6 helping them with advise and seeing they have been working with, and passing information to, their association in their respective Districts.

I have also been chairman of the IS USBC BA Finance Committee during the past year. That report is in a separate report.

It has been a pleasure to serve on the IS USBC BA Board of Directors and help make the tournaments and events, for the bowlers of Indiana, a success during the 2008-09 season.

Respectfully Submitted,  
Gerald L. (Jerry) Harvey  
1st Vice President
