

Report of the 2nd Vice President – June 28, 2009

To the Council of Delegates:

I have been honored to serve the bowlers of the State of Indiana for the past year. Every year, I meet new people, and make new friends around the State. This past year, I attended my first National USBC Convention. For a myriad of reasons, I was never able to attend this function in years past. I was pleasantly surprised to see many Indiana associations represented at this event, even in the uncertain times we're experiencing now. It just shows that Indiana bowling volunteers are a dedicated lot, and I'm proud to be a small part of that group.

This year, I was asked to come up with ideas to mark the 100th year of State Championship Tournaments. We are finalizing our plans, and will be announcing them shortly. I am looking forward to seeing all of you in Evansville in 2010!
